SHASTRA JUNIOR COLLEGE

MPC + EAMCET

CURRICULUM GUIDE / SAMPLE EDITION

SAMPLE CONTENT

Illustrative topics only. Confirm and replace with the official college curriculum.

Mathematics

Cover core mathematics with regular timed practice.

- Algebra and equations
- Functions and graphs
- Trigonometry
- Coordinate geometry
- Sequences and series
- Differential calculus

Physics

Strengthen core concepts and speed on objective problems.

- Units and vectors
- Motion and kinematics
- Laws of motion
- Work, energy, and power
- Electricity and magnetism
- Optics

Chemistry

Review high-frequency concepts across the main chemistry areas.

- Atomic structure
- Periodic properties
- Chemical bonding
- Stoichiometry
- Chemical equilibrium
- Organic chemistry foundations
