SHASTRA JUNIOR COLLEGE

BiPC + NEET

CURRICULUM GUIDE / SAMPLE EDITION

SAMPLE CONTENT

Illustrative topics only. Confirm and replace with the official college curriculum.

Biology

Organise key concepts across living systems and heredity.

- Cell biology
- Plant physiology
- Human physiology
- Reproduction
- Genetics and evolution
- Ecology and environment

Physics

Strengthen concept recall and reliable numerical methods.

- Units and measurement
- Mechanics
- Thermodynamics
- Electricity and magnetism
- Optics
- Modern physics

Chemistry

Build balanced coverage of physical, inorganic, and organic topics.

- Mole concept
- Chemical equilibrium
- Chemical bonding
- Solutions and electrochemistry
- Organic functional groups
- Biomolecules
